6. PRODUCTS PERMITTED TO COMPETE

Wines

The wine competition is open to all wines produced in conformity with the regulations of their country of origin, packaged in glass bottles of up to 2 liters (PDO, PGI, varietal, special wines e.t.c.). Boxed wines (Bag-In-Box) may participate in the competition and receive a final rating but they are excluded from the awards.

Spirits

The spirits competition is open to all spirituous beverages of vitivicultural origin produced in conformity with the regulations of their country of origin.

Experimental samples (wines and spirits)

Moreover, experimental wines and spirits can be tested and evaluated by juries. However, their rating is notified only to their producers and they are excluded from the awards.

All products, apart from experimental samples, must be destined for sale and must be from a homogeneous batch of at least 1000 litres. On an exceptional basis, a reduced volume, of at least 100 litres, may be admitted upon justification of a particularly low production.

7. MEDALS, SPECIAL AWARDS

The samples (wine/spirits), according to their final rating, receive the following awards:

- Gold Medal: 90–100
- Silver Medal: 87–89
- Bronze Medal: 84–86

The Organizing Committee, in co-operation with the President of the Competition, reserves the right to limit the number of prize-winning products by increasing the base of their respective categories.

B. Best wine per Category

The best wines of each category are re- tasted by all judges and award the distinction of the best wine of each category:

- best white wine (category 1)
- best rosé wine (category 2)
- best red wine (category 3)
- best dessert wine (category 4)
- best sparkling wine (category 5)
- best 'retsina' wine (category 6)

For the award of the above distinctions it is necessary to participate in the competition at least five (5) samples of the same category

C. Competition's best wine and best spirit

The best wines of each category, once they have earned a gold medal, are re- tasted by all judges and awarded:

- The best wine of the competition

The highest grade spirit receives the distinction:

- The best spirit of the competition

D. Special awards

The organizer will introduce special awards to the following categories, if at least 5 samples participate per category and their ratings corresponds at least to a bronze medal:

- a) best dry single variety **Malagousia**
- b) best dry single variety **Assyrtiko**
- c) best dry single variety **Moschofilero**
- d) best dry single variety **Vidiano**
- e) best dry single variety **Xinisteri**
- f) best dry red single variety **Agiorgitiko**
- g) best dry red single variety **Xinomavro**
- h) best **organic** wine

It should be noted that in case a wine, which is awarded as the best of its category, is part of the above special distinctions, it will also receive the special award.

8. PROGRAMME OF THE COMPETITION

The competition will take place in Thessaloniki. Tasting sessions will be held from Tuesday 25th until Thursday 27st of February 2020.

The announcement of the results will be officially publicised during an awards ceremony that will take place on March 7th 2020 in Athens. Details will be announced on the website www.tiwc.gr and on facebook/Thessaloniki International Wine Competition page.

9. ORGANIZING COMMITTEE
